SECRET/CONTROL

1. A number of former aircraft designers, who have been employed for some time in other capacities, have recently returned to aircraft designing.
2. Among these is Louis Botter, a famous Hungarian gliding expert and aircraft designer, who has been working for the past four and one half years in a radio factory.
3. One of the centers of aircraft designing activity is Szekesfehervar, where the experts work until late at night. The aircraft designers returning to this employment receive special rations.
